**PLEASE NOTE:** Wear athletic clothing suitable for the weather, and sturdy athletic shoes. For your safety, no flip-flops, no sandals. Be advised that hiking, biking, and climbing are inherently dangerous activities. Participants must be at least 16 years of age.

**HIKING**

**DESERT HIKING** (2½ hrs)

Explore the scenic Sonoran Desert and learn about local flora, fauna, and history from an experienced guide. A variety of unique destinations are available, from modest rolling desert to challenging mountain terrain.

Hiking shoes are recommended, but any sturdy athletic footwear will do. Wearing a hat is a good idea. We'll supply a fanny pack, water bottle, and transportation. Here are some options:

**Overton Trail**

RATING: *Moderate. Some climbing.*

- Classic 3.2-mile loop hike.
- Good choice for most hikers.
- Includes some steep terrain.
- Plenty of desert flora and fauna.
- Short drive, 15-20 minutes.

**Slate Trail**

RATING: *Moderate. Great scenery.*

- Up to 3.3 miles total -- out & back.
- Undulating Sonoran Desert terrain.
- Dense stands of saguaro cactus.
- Short drive, 15-20 minutes.

**Go John Trail**

RATING: *Moderate-to-Strenuous.*

- Long, 5.8-mile loop.
- Includes steep & rugged terrain.
- Panoramic views.
- Short drive, 15-20 minutes.

**BIKING**

**MTN. BIKING (OFF-ROAD)** (2½ hrs)

Enjoy a guided tour on some of Arizona's best trails, located just pedaling distance from The Boulders. The rolling desert terrain is challenging and fun, and the scenery is unforgettable.

Our mountain bikes are full-suspension models with disk brakes, and we'll also supply the helmet, water bottle, and some expert riding tips.

*We use regular flat pedals. If you prefer cleat-shoe pedals, just bring yours along!*

**NIGHTRIDE BIKE TOUR** (1½ hrs)

Night-riding is a great outdoor adventure. The desert comes alive at night as we cruise along the resort's roller-coaster golfcart paths by the light of high-tech halogen systems.

These "trails" are paved, so this activity is geared for the night-riding novice. We'll supply the bike, helmet, water, and 15-watt lighting system.

**BIKE RENTALS**

We also have bikes that can be rented by the hour. We recommend wearing a helmet, and if you are under 18, we insist.

*We strongly discourage any desert off-road bike riding without a guide.*

**ROCK CLIMBING**

**ROCK CLIMBING** (3 hrs)

Experience the thrill of rock climbing on the resort's majestic granite. Our program is a genuine rock climbing experience, with natural routes rising up to 75 feet.

Climbing is an activity that relies on technique and finesse, not raw strength, so participants are often surprised by their own abilities. Our expert guides supply all the gear and teach the basic skills.

**Is this activity suitable for beginners?**

Yes. Most of our participants have never climbed, or have only climbed indoors.

**What if I'm afraid of heights?**

Everyone is, to some degree. That just means you're normal!

**How strong or fit do I need to be?**

If you can climb a ladder, you have the physical ability for rock climbing.

**Is it true women often outclimb men?**

Yes. Climbing is all about finesse.
