# Activities Description

## February 2012

### 20/20 FUSION (∇)

This class fuses 20-minutes of indoor cycling with 20-minutes of core and upper body conditioning for a dynamic workout followed by a cool-down and stretch.

### ADVANCED YOGA <sup>YS</sup> (□)

A vigorous workout for the experienced yoga practitioner or athlete. Emphasizing movement, strength and focus; a high intensity flow sequence combined with advanced postures provides for an exhilarating 50 minute class.

### ALL LEVEL FLOW YOGA <sup>YS</sup> (∇)

All Level Yoga is designed for students of all ages and abilities. The postures are adjusted to accommodate individual needs.

### BACK CARE & CORE (∇)

Core conditioning exercises, low back strengthening moves and a deep stretch to condition the body's power house.

### BALANCE & MOBILITY TRAINING (∇)

*Improve your balance, reduce the risk of falling, increase functional strength and mobility in a safe setting.* Core components of each class include; center of gravity control, postural strategy training, gait pattern enhancement, strength and flexibility training. Have fun while learning balance skills that will allow you to live your life to the fullest.

### BUNS, LEGS & TUMMY (∇)

BLT uses the stability or bosu ball, to condition your abs, sculpt your legs and shape your buns. All done with moves that are simple but challenging and easy on the joints.

### CARDIO INTERVAL (∇)

No fancy choreography, just pure calorie burn. This class combines cardio intervals with upper body toning for strength and endurance.

### DAVINCI TBC (TOTAL BODY CONDITIONING) (∇)

Using resistance bands, body bars, handheld weights and fitballs, you will tone and sculpt your major muscle groups in this energetic class. Stretching is included to complete this total body workout.

### AWARENESS THROUGH MOVEMENT (∇)

Lessons in Feldenkrais method. Gentle movement to increase awareness. Learn to move with minimum effort and maximum efficiency.

### FLOW YOGA <sup>YS</sup> (∇)

The gentle continuous flow of Asana poses incorporates breath, movement, and meditation. A basic knowledge of yoga postures is recommended for this class.

### GENTLE YOGA <sup>YS</sup> (∇)

Focus is on breath, releasing deeper tissues, and increasing pelvic and core strength, suitable for all levels.

### GOLDEN DOOR POWER WALK (∇)

This metabolism-boosting walk gives you the cardio respiratory benefits of speed-walking in a serene desert estate setting.

### GOLF STRETCH & CONDITIONING (∇)

Functional integration of core muscles incorporating balance, flexibility, dynamic stretching and body awareness.

### HATHA YOGA <sup>YS</sup> (∇)

Rejuvenate your spirit at the end of the day with this all level yoga class. Postures are chosen to relieve stress, increase energy flow and restore mind/body balance.

### INDOOR CYCLING (∇-□)

Cycle within your optimal heart rate zone to improve your Basal Metabolic Rate. Have fun as you burn calories. A great workout for beginners as well as advanced cyclists. This class is a high intensity, calorie burner!

### LABRYNTH MEDITATION

This spiritual journey elicits peace, contentment, clarity and enlightenment in ones life. After a brief history of the labyrinth, you will be given time to reflect and place an intention before your meditative walk.

### MAT PILATES (∇)

A method of body conditioning focusing on core muscle strength, flexibility, stretch, and body alignment.

### MAT PILATES PLUS (□)

Use of a foam rollers, magic circles and bands will enhance the exercises of the Pilates Mat Class and simulate some of the exercises done on the Reformer and Cadillac (Pilates Equipment). This class will thoroughly work your core, stability, balance, flexibility and muscle strength.

### MIND & MUSCLE (∇)

This 50-minute systemic cardio workout combines upper body strength with lower body movements to provide maximum fat-burn -designed for all fitness levels. **Fitness shoes are a MUST!**

### NEUROBICS – BRAIN FITNESS (∇)

Neurobics is a Brain Fitness Class designed to improve neurogenesis and brain plasticity, (the ability to increase neurons and to improve memory.) Classes include a broad spectrum of vibrant mental fitness activities designed to activate the seven intelligences, through cognition techniques and brain building workouts. Have fun while increasing mental muscle.

### NUTRITION LECTURE\*\*

Each weekly topic will explore a particular property of nutrition as it relates to health. Lifestyle and Weight Management, Digestive Wellness, Detox Programs, and Memory Enhancement are a few of the topics that will be explored. Please check lecture schedule for details.

### RESTORATIVE YOGA <sup>YS</sup> (∇)

Gentle, rejuvenating, relaxing yoga postures with an emphasis on Pranayama practice.

### SONORAN STRETCH <sup>YS</sup> (∇)

A combination of static and rhythmic movements designed to increase flexibility and stability for improved range of motion.

### STABILITY CHALLENGE (∇)

Fun and challenging functional strength exercises designed to utilize the "core" for added muscular strength, flexibility and balance training.

### SUNRISE YOGA <sup>YS</sup> (∇)

Greet the day with a yoga warm-up flow, followed by Sun Salutation progressions in this basic yoga class. Improve body awareness, mobility, flexibility and strength with a guided focus of mind, body and spirit.

### TAI CHI (∇)

Classical Tai Chi with attention to form which promotes circulation of vital life-force energy, reduces stress, and promotes harmony within the body.

### UPPER CUTS (∇)

A sculpt & strength training class that focuses on upper body--chest, back, arms and abs. All upper body muscles will be worked, including rotator cuff (scapula) & forearm muscles (often weak links and injury prone). Great for the golfer & tennis player!

### WATER FITNESS (∇)

A great water workout for all fitness levels in the open-air Spa pool, this class emphasizes cardiovascular fitness, toning and flexibility with the use of dumbbells and noodles. Sunglasses, hat, and sunscreen are recommended.

### YIN-YOGA <sup>YS</sup> (∇)

Appropriate for all levels, Yin Yoga focuses on the connective tissue, tendons, ligaments, bones and joints. Holding specific postures to create suppleness in these areas also allows for inner focus and stillness; a healthy balance to the rigors of daily life.

### YOGALATES (∇)

Enjoy this combination class of Pilates and Yoga. Work to strengthen the core while improving your flexibility with complimentary yoga poses.

### ZUMBA (∇)

Zumba is a fusion of Latin and International motivating music combined with unique dance and fitness moves. The fast and slow rhythms of the intervals burns calories while the sculpting movements tone and shape your body. This class can be a high intensity, calorie burner!
